

# SMITH & BROCK

EXPERTLY SELECTED, PROUDLY DELIVERED

## WEEKLY PRODUCT UPDATE - 03/02/20

**That's it! We are out of Europe!** Well, so far nothing has really changed to be honest... prices have gone up a bit compared to the same time last year, but we have kind of got use to it I suppose!

It will take another few months to be really out of Europe and see how things will be dealt with in terms of border control...

### VEG SELECTION

**Some really nice rainbow chard coming through, we even got a surprise this week! The kalette (flower sprout) is back!!**

Peas and broad beans from Spain are good size and nice and sweet.

Good size globe artichokes also from Spain.

*Kalette*

*Rainbow chard*

*Cava nero*

*King cabbage*

*Puntarella*

*Monks beard*

*Black truffle potato*

*Fennel*

*Round courgette*

**Veg of the week continued:**

Romanesco

Padron peppers

Kohlrabi

Crosnes

Peas

Broad beans

Artichokes

**FRUITS SELECTION**

Not a lot to talk about on the fruit section to be honest... but we have great citrus fruits such as blood oranges, pink grapefruits, pomelo, nadorcot clementines, leafy lemons, Meyer lemon....

Also very good at present are lychees, and not to forget the famous Yorkshire pink rhubarb!

Blood oranges

Sharon fruits

Lychees

Pink grapefruit

Air freight mango

Rhubarb

## CALCOTS

**We are selling more and more of those every week! Please insure to contact us before Wednesday to reserve your quantities for the Tuesday following week.**

## EXOTIC

**We are always going the extra mile when we are asking for special products... we were asked for bamboo and we managed to get fresh and cooked!**

How about aloe vera leaves? Yes we can get those, as well as anything which can actually grow on this planet! Please challenge us on that special rare find!
