## FRUITS

**Strawberries will most likely be the fruit best seller of the week!**

Not red, but how about a bit of passion fruit for the occasion!

- Pink Lady
- Pink grapefruits
- Strawberries
- Cherries (from Chile)
- Pomegranate
- Redcurrant
- Raspberries
- Passion fruit
- Blood oranges
- Rhubarb

## PUFF PASTRY

**To make those lovely en croute dishes to share, why not do it with proper full butter puff pastry? French made puff pastry... the best!**

## EXPENSIVE

**Raspberry and redcurrants have been a bit short lately and price slightly up!**

Other fruits such as grapes and pineapples are pretty expensive. Yellow courgette, baby gem, cos and iceberg are still expensive as well as asparagus and cooking spinach.

All standard tomatoes have been difficult with supply demand high and a lot of orange tomatoes coming through!
